v. 50 pt. 1

## INDEX

### A

	Page
Adhesive plaster, the irritants in—Schwartz and Peck.....	811
Aerial navigation, ratification of the international sanitary convention for.....	863
Age incidence of illness and death considered in broad disease groups—Collins.....	507
Airplanes, the destruction of mosquitoes in—Williams.....	663
Alabama:	
(See also Name of disease—Current weekly State reports.)	
(See also Summary—Disease cases reported monthly by States.)	
Typhus fever, endemic in—Baker, McAlpine, and Gill.....	12
Alaska: Poliomyelitis.....	381
Anthrax. (See Summary—Disease cases reported monthly by States.)	
Argentina: Poliomyelitis.....	579
Arizona:	
(See Name of disease—Current weekly State reports.)	
(See Summary—Disease cases reported monthly by States.)	
Arkansas:	
(See Name of disease—Current weekly State reports.)	
(See Summary—Disease cases reported monthly by States.)	
Armstrong, Charles:	
Benign lymphocytic choriomeningitis (acute aseptic meningitis).....	831
Effect of experimental local irritation upon susceptibility to vaccine and encephalitis virus (St. Louis type).....	43
Prevention of intranasally-inoculated poliomyelitis of monkeys by instillation of alum into the nostrils.....	725
Studies on the origin of a newly discovered virus which causes lymphocytic choriomeningitis in experimental animals.....	537
Asbestos dust, effects of the inhalation of, on the lungs of asbestos workers—Lanza, McConnell, and Fehnel.....	1

### B

Bacterial content of the Kansas dust storm on March 20, 1935—Ritter.....	622
Bacterial purification rates in polluted water—Hoskins.....	385
Badger, L. F.: Leprosy (The effect of a vitamin B <sub>1</sub> deficient diet on the incubation period of rat leprosy).....	855
Baker, J. N.: Endemic typhus fever in Alabama.....	12
Biological methods of sewage treatment identified with water softening.....	143
Biological products. Establishments licensed for the propagation and sale of viruses, serums, toxins, and analogous products.....	147
Bixby, F. Lovell: The place of psychiatry in a coordinated correctional program.....	98
Black, Sam H.: Blood cholesterol in leprosy.....	50
Bloomfield, J. J.: The urinary excretion of silica by persons exposed to silica dust.....	421
Branham, Sara E.: Protection of mice against meningococcus infection by polyvalent antimeningococcic serum.....	768
British West Indies: Barbados—Measles.....	234
Brown, Earle G.: Deaths from excessive heat in Kansas, 1934.....	546
Brundage, Dean K.: Sickness among male industrial employees:	
Third quarter 1934 and the first 9 months of 1934.....	95
Fourth quarter 1934.....	557
Year 1934.....	557
